### Dean to Discuss Film on Hygiene Before A. C. E.

Tonight, Dean Charles E. Koerble will discuss a film on mental hygiene to be shown to Maryville members of the Association for Childhood Education at their meeting.

The program theme of the Maryville branch for the year 1956-57 is "Children Need Guidance." Officers are Grace Denton, president; Jean Swanson, vice-president, representing Early Childhood; Naomi Shipley, vice-president, representing Intermediate; Wilma Greever, secretary; Norma Grantee, treasurer; Shirley Motsinger, social chairman; and Janet Dinkel, publicity chairman.

Seventy young women met in the kindergarten room of the Horace Mann Laboratory School, Wednesday evening, September 26, for the first meeting of the year.

The Association for Childhood Education is an international organization, with a membership of more than 80,000. Its membership is open to all students on the campus who are majoring in elementary education.

### Memorial Service For Uel W. Lamkin Brings Many Here

A memorial service for Uel W. Lamkin, the late president emeritus of the College, was held in the College auditorium last Friday at 11:30 a. m.

Hundreds of teachers, students, townspeople, and others from out-of-town attended.

Mr. M. E. Ford, president of the Board of Regents, spoke in tribute to Mr. Lamkin, who was president of this College from 1921 to 1945 and president emeritus from 1945 to 1956.

"To have known him, to have had the pleasure of associating with him, to have had the right to call him friend was a privilege indeed," Mr. Ford told those attending.

"It was to this College that he gave twenty-five of the best years of his life, and the value of those long years of loyal and faithful service is incalculable," said Mr. Ford.

"The noble ambitions he aroused in the thousands of students who attended this institution . . . will be communicated to others and by those others to those who come after . . ." and so "though absent, yet he is with us and will be with us always," said the Regent president.

Included in the service were the reading of the "First Psalm," by Dr. Irene Mueller; Mendelssohn's "On Wings of Song," by Mr. Donald Sandford, and "Prelude" by Mr. Gerhard Krapf. The audience stood in silence preceding the prayer by Dr. H. G. Dildine.

## Special Election to Be Today From 8 to 12 a.m.

Art Buckingham, president of the Student Senate, announces a special election to be held this morning from 8 to 12 o'clock in the main hall on the first floor of the Administration building.

This vote is to allow the Senate to establish a special committee to revise the constitution and by-laws of the Student Government Association.

### Craft Class Plans 'Of Thee I Sing' Sets and Scenery

Scenery for the coming production, "Of Thee I Sing, Baby," to be presented at the College auditorium on Thursday and Friday, October 18 and 19, is being made by the Stage Craft class.

Members of the class are Jesse Masters, Dan Hochstein, Forrest Leonard, Marjorie Canon, Richard Fixler, Larry Ramsey, and Floyd Worley.

Since the action takes place in thirteen different settings, the class has a big job. Outdoor scenes include a campaign street scene, the Beard Walk in Atlantic City, and the steps of the Capitol.

Action indoors runs the scale from a hotel bedroom through the U. S. Senate to the office of the President, and climaxes on a scene in the Yellow room of the White House.

As may be imagined, costuming and make-up for the huge cast of one hundred will be no small job. Sound and light effects will add much to the catchy comedy, as will several popular songs. A few of the best known are the following:

"Love is Sweeping the Country"  
"Of Thee I Sing"  
"Wintergreen for President"

### Pinkerton Sings In KC Starlight

Richard Pinkerton, a junior, spent the summer working at the Starlight Theater in Kansas City.

Richard had a solo in "Peter Pan." He also played the part of the bangle man in the production "Kismet."

Rehearsals began three weeks before the show. After the show started, Richard rehearsed from 10 a.m. to 4:30 p.m. four days a week. Two days a week he practiced from 10:30 a.m. to 1:00 p.m.

Saturday night after each performance Richard had rehearsals.

Next Wednesday, October 24, a vote on the revisions will be held. This vote will be in conjunction with the election of the Homecoming Queen. Since a majority of the student body is required to change the constitution, all students should be sure to vote.

Members of the Senate also request every student to attend the Benefit movie to be shown at the Tivoli Theater tonight and tomorrow night. Proceeds from this movie go to support the Student Loan Fund.

The Student Senate emphasizes the importance of the rules concerning the election of the Homecoming Queen: Each Candidate—

1. Must be a sophomore or above.
2. Must be backed by a campus organization or a petition of 25 signed backers.
3. Must have name presented to Senate before meeting on Thursday, October 18.
4. Must have a manager.
5. Must have a \$15 limit on campaign expenses.
6. Along with manager must meet with representatives of Senate on Friday, October 19.
7. Campaign will begin Monday, October 22.
8. Campaigning will end Wednesday, October 24, with signs to be down by 4 p.m.

## The Missing Ten Per Cent . . .

Whenever an organization on this campus has any activity to raise funds, ten per cent of the money made goes to the Student Senate. Many of the students on the campus have asked what the ten per cent goes for and who decides how it shall be spent.

When this fund was originally set up it was sent to the World Student Services Organization to help foreign students. However, the students on this campus felt that the money could be used to greater advantage here on the campus of the College. In 1953 the Student Senate decided to use the money to help foreign students here on the campus.

This money is distributed to foreign students with the approval of the Dean of Faculty. Many of the students who are brought to this country by other organizations are able to stay and complete their education through the use of this fund.

The value of this program is great, both in the college education of the students and in the education of the students in the American way of life. People so educated can return to their own country and help their countrymen to better economic security and to a better understanding of the American way of life.

The value of the foreign students on the campus is also great. Association with the foreign students gives the other students a chance to become acquainted with people of other countries. Also, through talks made to various organizations, both on and off the campus, the foreign students acquaint the people of the United States with the people and customs of their home land.

So remember, the next time someone complains about paying the Student Senate that ten per cent—it goes to help the foreign students of the College to improve international relations.

### THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to invite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

## The Stroller . . .

The Stroller has just picked up his proofs at the Falk Studio. He was terribly disappointed in that they all looked like him.

Marvin Toft is developing a new type of guided missile. It takes the form of a pencil top, sailing over the heads of his fellow classmates who are calmly sitting in class.

The Union isn't the only place that has a long waiting line—the third floor drinking fountain has its share too.

The latest word from Miss Bonnie Magill's beginning swimming class is "glub."

The Stroller, who has himself been an offender to the rule, suggests that we all remember that Tuesday night is "dress up night."

Rush week has brought on a flurry of activity for many freshmen. There are some potentially great members for any organization in this freshmen class.

In parting, the Stroller would like to urge the members of the student body to attend the benefit show "Gaby" at the Tivoli theater. It's a good show for a good cause.

## Bearcats to Play Stronger Mules In MIAA Contest

MIAA play begins for the Bearcats this Saturday night when they travel to Warrensburg to meet the Mules. Coach Ryland Milner will leave Saturday with a 33-man squad. Although the team lost some of their early games, the spirited victory over powerful William Jewell has given the team new life. With the veterans in top form it might be the beginning of a new look for Maryville.

Many experts have picked the Mules to be the top team in the conference, but earlier in the season the B team fairly slaughtered the Warrensburg B's, and some of the boys have moved to the traveling squad. So it could well be the added strength the team needs. In the last two games the Bearcats have moved on the ground as well as in the air.

The Warrensburg team has a lot of talent and has one of the better quarterbacks in the conference with McFarland in the slot. Two other backs have picked up yardage in the opening games; Brooks and R. McFarland at the halves give the Mules a fine running combination. Cross playing at right end is the favorite pass receiver on the team, and as a whole, the line is the biggest in the conference.

After trying several men at each position Coach Milner has probably settled on this line up: Cromer and Maher at ends, Horner and Flanagan at tackles, Taylor and Schulze at guards, Haskey at center, and Walker, Clark, Mallen, and Cole at backs.

Beginning the season with almost a green line, the Bearcats have come a long way from the opening game against Doane. Jack Taylor and Bill Horner, two freshmen, have given the line a boost in strength, and the opposition has found a little rough sledding with the line as it gains experience with each game.

### Pool Open for Coeds

Co-recreation swimming hours are again being held at the College swimming pool. This accommodation is made in relation to water practice for students who have swimming classes and also to provide student recreation.

MIAA FOOTBALL CHAMPS? . . . Bearcat coach Ryland Milner, center, with two of his outstanding backs, Darrell Walker, left, and Micky Mallen, right, could be thinking of the rough conference games ahead in the Bearcat schedule.

## Random Shots . . .

Cape Girardeau's football squad, the defending MIAA champs, have an eleven game winning streak going from the past two seasons. The MIAA conference football race for the crown will officially begin October 13. Another top challenger for the crown is Warrensburg, with two victories under the belt so far this season.

In last week's games, Cape coasted to a 46-13 win over Eastern Illinois and Warrensburg defeated Southwestern 27-0.

Other conference teams received defeats on the chin as Rolla, Kirksville, Springfield, and Maryville were beaten. Washington of St. Louis squeezed past Rolla 14-13; Pittsburg State trounced Kirksville in a 46-18 battle. Emporia State bested Springfield 13-0 and Ft. Hays rolled over Maryville 19-13.

Coach Neal Tremble's gym classes are now playing touch football. The games have two halves of fifteen minutes each with one time out allowed a team each half. The field is divided into four sections of twenty yards each. First downs are made by going from one section to another. Players are allowed to run or pass the ball until they are touched with two hands between the shoulders and the knees. At no time is a player allowed to leave his feet. Most of the teams seen in action look evenly divided for strength and speed. This fact gives the fans several close scoring ball games.

Winding up the tennis singles tournament, Bob Alcorn defeated Dick Phillips 6-0 the first match, and 6-4 in the second match.

In the tennis doubles semifinals, Phillips-Woods beat out Sorenson-Bradley by 4-6, 8-6, 7-5 scores. Other persons may be seen over around the college tennis nets that are active in the mixed doubles matches. These games are not for competition alone but for social fun, according to Dr. Frank W. Grube, tennis coach.

## Football Starts Intramural Play

One of the leading intramural sports, touch football, rolled into full swing this past week with four games being run off each evening at 5:00 on the field north of the main gym.

Dick Phillip's independent whites rolled over Jim Burke's TKE whites to an 18-6 victory. Willard Van Buren's independent reds shut out Bill Merrick's TKE reds 26-0. Charles Adair's Sig Taus squeezed past "Bugs" Williams' Tiger Den in a close 7-6 game. In the final game of the first night, Phi Sig whites, captained by Bob James, beat the Sig Taus, headed by Don Pierpoint, in an 8-6 contest.

In the second night of touch football play, Lou Linville's Sig Tau blue team kept Loren Stuvick's Phi Sig blue team from hitting pay dirt in a game that ended 6-0. Dick Hensley's TKE blue team nosed out the independent blue team, captained by Bob Wilson, by a 2-0 score. Willard Van Buren's IC red club won their second game of the week by a 13-7 score against the Phi Sig red, headed by Harlan Higgenbotham.

The Phi Sig whites, captained by Bob James, won a forfeit game over Jim Burkes' TKE whites. Members of an officiating class, taught by Dr. H. D. Peterson, chairman of the physical education department, referee the intramural football games.

### B Team Stomps Peru

Coach Neal Tremble's B squad was victorious for the second time this season when they stopped the Peru Bees at Memorial stadium, 20-12.

Buck Skaggs and Fred Fuhr, two husky freshmen, again stood out for their fine ball carrying. The 'Cat defense looked especially sharp. George Benz, a member of the economics faculty, is Coach Tremble's assistant.

### Boys Train for B-Ball

Along with varsity football and a strong intramural program, several boys may be seen on the track

getting their legs in shape for the coming track and basketball season. The date for the first scheduled varsity basketball practice is November 15. This date is set up by the Missouri Intercollegiate Athletic Association, according to basketball coach Robert Gregory.

## Maryville Tramps Top-Rated Jewell

Coach Ryland Milner's Northwest Missouri State Bearcats found out that the best offense was a good defense Saturday night when they defeated the highly rated William Jewell Cardinals 13-7.

The 'Cats, winning their home opener and first game in four tries this season, stopped the rush of the Liberty team nine times inside their own 25 yard line.

Scoring their first touchdown midway through the opening quarter, the 'Cats pushed 81 yards in eight plays.

Gerald Cole received a pass from Walker for 23 yards for the first touchdown. Maryville fumbled on its try for the extra point.

Walker scored on a keeper play with 58 seconds remaining in the first half. He also kicked the point. On a pass interception, Jewell quarterback Ed Payne was set up to score from eight yards out. Bill Pendleton booted the extra point.
